Specialties: Buyer's Agent, Listing Agent, Consulting, Commercial R.E.

Libby has built her real estate practice on three basic principles — integrity, transparency, and customer service. Backed by one of the leading real estate companies in South Florida, The Keyes Company, she offers her clients an extensive portfolio of residential properties, both locally and internationally; as well as access to the latest technology and resources to market your property.

Libby takes the time to listen to her clients. Getting to know them and learning what's important to them is what sets her apart from the other agents. She will customize her search based on her clients' needs, working tirelessly to find the right property. Her focus is in the residential, commercial, and real estate investment areas with a special emphasis in the luxury sector. A skilled negotiator, she will work on your behalf to get your property sold at the highest price the market will bear.

Libby grew up, married, and raised her family in Miami. She knows this vibrant, diverse city and its suburbs very well. It's this first-hand knowledge of the area and its intricacies that guide her in finding the right property for her clients. Libby specializes in the communities of Doral, Kendall, Miami Lakes, Westchester, Miami Springs, Dadeland, Pembroke Pines, Miramar, and of course Miami.

Active in her community, Libby has been a part of the Migrant Kids Toy Run for the past several years as a volunteer. She is a staunch supporter of the Humane Society and the Dolphins Cancer Challenge, a race she is looking forward to participating in April. She is a member of the Miami Board of REALTORS®, the National Association of REALTORS®, the Leading Real Estate Companies of the World®, and the Luxury Portfolio International Association.
