2nd ANNUAL CHARITY GOLF TOURNAMENT TAKING A SWING AT INFANT ABANDONMENT

Miami, Florida — The Gloria M. Silverio Foundation, a 501(c)3, not for profit organization - A Safe Haven for Newborns, will host its annual golf tournament, Tee Off for a Cause, at Trump National Doral Resort on Friday, April 27th, at 1 PM. Golfers will come face-to-face with the Red Tiger, a challenging, but fair course; all the while helping raise funds to end infant abandonment.

The tournament is open to both men and women to come, play and help us in our fight to save the most vulnerable among us, the newborn. The tournament entry fee includes green fees, boxed lunch, award reception and beverages on and off the course. This is also an excellent opportunity to showcase your company by becoming a tournament sponsor. Sponsorship opportunities are available, but going fast. To see what is available and to register your foursome, visit us at www.asafehavenfornewborns.com; or, call us at 305-882-1304 ext, 103.

-more-

The mission of A Safe Haven for Newborns, a statewide organization headquartered in Miami, is to assist young, scared expectant girls/women in their most difficult and trying time whose infants are at risk of being abandoned in an unsafe place most certainly culminating in the infant's death. As of today, A Safe Haven for Newborns has helped over 5,000 women and saved 279 babies — six in the first three months of this year. "I believed from the beginning that if we saved only one life, all of our efforts would have been worth it. Our programs give these babies a chance at a future." said Nick Silverio, founder of A Safe Haven for Newborns an all volunteer organization.

We are very appreciative to be able to count with the friendship and sponsorship of some of the area's leading corporations. Many are returning sponsors from last year; others joining us for the first time. Consider adding your name to the tee sheet and come play with us. It's all for a heart-warming cause — to save lives.
