Help us Put an End to the Ultimate in Infant Abuse — Abandonment

A Safe Haven for Newborns is dedicated to reaching pregnant girls and mothers before they reach the crisis stage. We are the safety net, possibly the last recourse for a pregnant girl or mother with her newborn at her moment of crisis, very often-facing life and death issues, two lives saved, the precious newborn and their mother. To date, **297** newborns have a family, a home, and a chance at a future.

How You Can Help

There are two ways you can help...

1- by being a sponsor. There are several levels of sponsorship available.

2- by signing-up your foursome. The registration fee includes: green fees, boxed lunch, beverages on-course and at the awards reception, plus a *really nice* swag bag.
